traders forum

2026 & 2027 Events Schedule

Traders Forum, Singapore

Dive into the dynamic financial landscape of Asia at our Singapore Traders Forum. Network with top trading firms, learn about emerging markets, and explore the latest innovations shaping the future of trading in the region.

1st December 2026

Traders Forum, Zurich

Join us as we return to Zurich during the very busy World Economic Forum week for a curated forum inviting Switzerland's leading proprietary trading firms, hedge funds, asset managers and institutional buy-side participants.

18th January 2027

Traders Forum, Dubai

Connect with leading trading firms, investment managers, banks and exchanges as we explore the rapid growth of the Middle East's financial markets. Discover opportunities in market structure, technology, capital markets and cross-border investment.

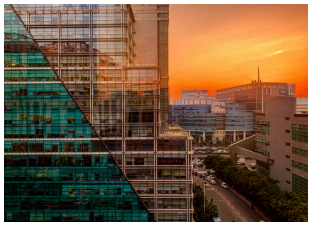

28th January 2027

Traders Forum, New York

Connect with proprietary trading firms, hedge funds, brokers, exchanges and institutional market participants. Explore global markets, derivatives, trading technology, market structure and New York's role in international finance.

11th March 2027

Traders Forum, Gurugram

Connect with leading proprietary trading firms, brokers, exchanges and market participants in one of India's fastest-growing financial hubs. Explore opportunities in derivatives, market structure, trading technology and the continued evolution of India's capital markets.

April 2027

Traders Forum, Mumbai

Bringing together proprietary trading firms, brokers, exchanges and institutional market participants to explore trading technology, derivatives and opportunities across India's evolving financial markets.

April 2027
